

## Highland Lakes Master Gardeners Association Burnet Farmers & Crafts Market Rules and Regulations 2024

The Highland Lakes Master Gardeners Association (HLMGA) Burnet Farmers and Crafts Market will begin operations the third Saturday in April and run through the Saturday before Thanksgiving in November. Vendors will be notified if there are any changes in this schedule.

The Market is officially open from 9:00 am to 1:00 pm. If a vendor plans to leave before 1:00 pm, vendor should locate on Washington Street for ease with early departure. The Highland Lakes Master Gardener Association's permit only applies to the time from 9:00 am to 1:00 pm. HLMGA will not be responsible for any vendor activity outside those hours. For safety of customers and vendors, the cones and flags on Main Street and Washington will remain in place from 8:45 am to 1:00 pm.

We plan to have the Market open rain or shine, but please check your weather and use your best judgment. Many times, the weather changes in a few minutes in Texas.

Vendors should arrive by 8:00 am. Any vendor arriving after 8:30 am should expect to be located at the west end of the Market on Washington Street.

1) Vendor definitions:

- a) "Local Growers" are vendors who grow their own produce/plants. They may be asked to provide a letter from their County Extension Agent to verify vendor's capability to grow the produce or plants they are selling. The contribution for "Local Growers" is \$5.00 per day.
- b) "Process Vendors" are vendors of self-made food or craft items. The contribution for "Process Vendors" is \$10.00 per day.
- c) "Resale Vendors" are resellers of purchased produce, plant, food, craft or wearable items. The contribution for "Resale Vendors" is \$15.00 per day.
- d) "Food Trucks" take up much more space than other vendors, so the contribution is \$15.00 per day.
- e) "Current HLMGA members" representing themselves as a vendor rather than the Association may NOT wear HLMGA clothing. The contribution for HLMGA members is \$5.00 per day regardless of item type.

- 2) For vendors whose items for sale fall within multiple types described above, the contribution will be based on what they have the most of. For example, if they have primarily produce from their garden, but also a few jars of pickles they had canned, they would be charged \$5.00. However, if they had primarily home canned foods and few vegetables from the garden, the charge would be \$10.00.
- 3) Vendors are asked to sell within their booth.
- 4) No live animals will be allowed to be sold at the market without prior approval. Contact Jenny McCoy at [burnetfarmersmarket@gmail.com](mailto:burnetfarmersmarket@gmail.com)
- 5) Vendors should identify their area with a sign that includes name and/or business name. All products must be accurately identified, with ingredients and include price. Each vendor is asked to not practice "distress pricing." Vendor area should be kept clean.
- 6) Vendors will provide their name, address, email, phone number, and sign a Release of Liability waiver at the time of initial set up.
- 7) The HLMGA will advertise and promote the Market to the public. Volunteers from HLMGA will also assist with tent setup. No heavy lifting assistance is provided by HLMGA volunteers.
- 8) There is no smoking or vaping at the market. This is based on Burnet city regulations.
- 9) Please keep in mind that this is a family friendly environment. Please refrain from unacceptable behavior.
- 10) Failure to comply with the above rules and regulations will result in the termination of the violating vendor from selling at the Burnet Farmers and Crafts Market. HLMGA reserves the right to provide or to refuse rental spaces to Vendors.
